

EAST PENNSBORO TOWNSHIP

EMERGENCY MANAGEMENT DIVISION

PRESS RELEASE

On Saturday May 27, 2017 at 0730 (AM), the multistory building located at 100 Senate Ave will be imploded to make room for a new commercial development.

The purpose of this release is to inform you of the public viewing area for the event and the traffic detours that will be in place (see the attached map) starting at 0630 (AM) until the scene is declared safe.

There will be a **600' Safety Zone established around the building**. The general public viewing area will be at the intersection of Poplar Church Road & Erford Road at the Chapel Hill United Church of Christ. Those wishing to view the demolition will need to be at the viewing area by 0700 (AM). As a reminder, drone aircraft will not be allowed in the safety zone as established by the Federal Aviation Administration.

Access to the Ridley Park area will be via a traffic detour (see map) and there will be Fire Police in the area to assist with access issues.

Continue to check the website for any updates that may be released.
