***How to be a Friend of the Park and to the Staff when  
renting a pavilion...***

1. Decorations and signs may be hung in the pavilion and throughout the park only if all decorations and signs are removed before vacating the facility. Pavilion picnic tables are not to be rearranged or moved. If you do so, we ask that you return them to the set up when you arrived.
2. Electric is for your use with rental. It is a standard 120 amp outlet. Do not over use as we do not have staff to reset the breaker. Electric is available at North East, Commonwealth and Keystone pavilions.
3. Please bring size 32 gallon bags along for your trash. We ask that you take your trash to the dumpster located behind the Tennis Courts and across from the Keystone pavilion or behind the backstop of field #3 near the Horseshoe Pits. Recyclables may remain in the cans provided and staff will pick those up. Please do not leave food behind as the only ones to enjoy it are the critters of the night. We don't want a skunk, possum or other animals to become a problem at the park.
4. Do not remove your hot charcoal from the grills. You may leave this in the grills and we will empty grills when coals are cool.
5. Bounce Houses, Pony Rides, Petting Zoos and confetti are prohibited. Tents may be set up around pavilion only with prior approval from the Recreation Office.
