## From The Treasurer

### OFFICE HOURS

Monday-Thursday, 9 a.m. to 4 p.m.  
Closed Fridays, weekends, holidays  
Phone: 901-9392

### Per Capita Bills

As you know, the per capita bills were mailed late this year. The delay was due to East Pennsboro Township's decision to change printing companies. The change was made by the Township as a cost saving measure. I'd like to thank you for your patience and understanding. To the best of my knowledge, the bills should be mailed as they have in the past, next March 1st. If you still have not received a per capita bill, please call the tax office so that we may make you another copy.

All residents 18 years and older should be receiving a \$10 per capita bill. If you are not on the tax rolls, please complete the assessment form on the Township website and mail or drop it off to the Township tax office in the Municipal Building.

### East Pennsboro Area School District

All Township property owners should be receiving their East Pennsboro Area School District real estate tax bill in July. However, these bills may be mailed late. The bills are mailed by a vendor contracted by the school district. The bills are at the discount amount through Aug. 31. **IF YOU DO NOT RECEIVE A BILL, PLEASE CONTACT THE TAX OFFICE SO WE MAY MAKE A COPY FOR YOU. WE HAVE NO WAY OF KNOWING YOU HAVE NOT RECEIVED YOUR BILL UNLESS YOU LET US KNOW.**

### Address Corrections

All address corrections must be done in writing. Corrections may be made to your bill by completing the space provided on the back of the tax bill. This may be done for both property and per capita taxes.

As always, please don't hesitate to contact the tax office with any questions or concerns you may have.

Debbie Lupold, Treasurer  
901-9392

## Sewer/Sanitation News

In order to reduce errors and process payments in a timely manner, residents are reminded that if they pay their sewer and trash bill automatically through their financial institution to be sure to list the account number and the service address of the account they are paying. Checks can be made payable to East Pennsboro Township.

For residents who prefer to bring payments to the Administration office, there is an after-hours drop box at the bottom of the stairs of the Township Building for your convenience.

### Following is the sewer payment due date schedule for 2015:

- Aug. 7 • Nov. 6

## Holiday Trash Collection

Because July 4 is on a Saturday, trash and recyclables will be collected on the normal schedule Monday through Friday. They will be collected a day late the week of Sept. 7 because of the Labor Day holiday and on the normal schedule the week of Oct. 12.

Please consult the Township website [www.eastpennsboro.net](http://www.eastpennsboro.net) for more information on recycling.

## Hazardous Waste Collection Scheduled for Aug. 22

Cumberland County will collect household hazardous waste from 9 a.m. to 3 p.m. on Saturday, Aug. 22, at the County Service Center, 310 Allen Road, Carlisle.

The program allows homeowners the opportunity to dispose of hazardous wastes instead of placing them in the regular trash. A list of acceptable and unacceptable items is listed on the County's website, [www.ccpa.net/3376/household-hazardous-waste](http://www.ccpa.net/3376/household-hazardous-waste).

## Trim Limbs, Branches

Tree limbs and branches must be at least nine feet above a sidewalk and 12 feet above any Township roadway to ensure the safety of walkers, motorists, emergency vehicles and Township snow plow equipment.

Property owners or occupants must also remove trees, shrubs and plant growth that interfere with safe pedestrian or vehicle passage on sidewalks and streets or obstruct any public street sign or traffic control device. The Township also prohibits all outdoor and open burning.

## Keep Grass Clippings Out of the Street

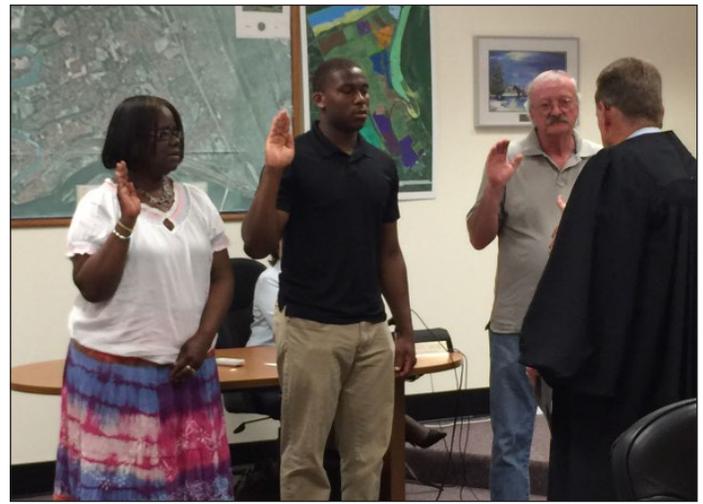

When mowing your lawn, make certain that you do not blow grass clippings into the street and do not use a hose to wash them into the street or storm drains.

Grass clippings that are blown into the street can block storm drains or flow down to the Susquehanna River. Grass clippings contain nitrogen and phosphorous, which cause unwanted and uncontrolled growth of algae and aquatic weeds in waterways.

If you bag your grass clippings you're not doing the environment or your back any favors. Leave the grass clippings on the ground for a greener, healthier yard, especially if your mower has a mulching blade.

Grass clippings are a natural fertilizer. Don't waste money on expensive lawn fertilizers. You can reduce yard work and yard waste while saving water (grass clippings are 85 percent water).

It is best to mow frequently so that large amounts of leaf and grass residue don't remain on the surface of the turf.

**NEW FIRE POLICE** - Three new officers are sworn into the Township's Special Fire Police unit. From left are Angela West-Bogins, Christian Boffins and Donald Koch. Fire Police have full power to regulate traffic and keep crowds under control at or in the vicinity of any fire, roadway incident, motor vehicle accident, disaster or public event.

## Township Police Accepting Unused Prescription Drugs

The Township Police Department has installed a permanent Med-Return Drug Collection Unit in its first floor reception area at 98 S. Enola Dr.

Residents can dispose of excess and expired prescription drugs and over-the-counter medications in the special container. Liquids, needles and aerosol cans are not accepted. Labels can be removed from the prescription containers.

The collection area is open from 8 a.m. to 4 p.m. Monday through Friday. Drugs can be dropped off with no questions asked.

The Department said disposing of excess drugs is everyone's responsibility, citing the fact that 70 percent of young people abusing prescription pain relievers get them from the family medicine cabinet.

**BOARD OF COMMISSIONERS** - Standing, from left, are George Tyson, Paul Hartman and John Kuntzelman. Seated are Charley Gelb and Kristy Magaro.

The Township Fire Police continues to look for volunteers who can help the Township a few hours a week. Fire Police volunteers must be at least 18 years old and have a clean police record. They will be required to complete a training program.

Special Fire Police have full power to regulate traffic and keep crowds under control at or in the vicinity of any fire, roadway incident, motor vehicle accident, disaster or public event to prevent any interference with firefighters and emergency responders. A person failing to obey a Special Police Officer is committing a summary offense and can be subject to a fine and the suspension of driving privileges.

For more information contact Capt. Brian Fenerty at [eptsfp@gmail.com](mailto:eptsfp@gmail.com).

The Township continues to update contact information for property owners and tenants who wish to be included in our emergency notification system.

Officials can generate precise alert lists and use the Rapid Response system to send an automated phone, email or text message to Township residents, employers, and business owners during snow emergencies, police events, streets closures, floods or fires, or when unexpected delays occur in the normal trash/recycle pick up schedule.

Be aware that the system cannot be used to contact your relatives or neighbors in case of your personal health emergencies; consider providing those numbers to a trusted friend. ## Yard Waste Guidelines

Penn Waste, the Township's trash/recyclables collector, will collect yard waste through October.

The Township Yard Waste Facility on South Humer Street is open from 7 a.m. to 3 p.m., Monday through Friday, and from 7 to 10 a.m. the third Saturday, through October for residential drop-off items. It is closed November to March. Residents must show a valid driver's license for proof of Township residency. The facility is for yard waste only. Please go to the County's website, [www.ccpa.net](http://www.ccpa.net) for disposal of household hazardous waste.

Yard waste includes tree trimmings, shrubbery and any other organic landscape vegetation, except grass clippings and tree stumps. Fruits and vegetables and dirt and stones will also not be collected.

The yard waste should be placed in a biodegradable brown paper bag or be tied with twine in easy-to-handle bundles. Bundles may be no longer than four feet and not weigh more than 30 pounds each. Branches may not exceed six inches in diameter.

An unlimited number of bags or bundles may be placed at the curb before 6 a.m. on the scheduled pick-up day.

For more information, call Penn Waste at 1-866-575-8720, or e-mail it at [www.pennwaste.com](http://www.pennwaste.com).

## Township Web Address: [www.eastpennsboro.net](http://www.eastpennsboro.net)

The Township has upgraded its web site, with a whole array of Township features.

The site posts agendas and minutes of meetings, an application and permit section where residents can download forms for housing and community development, employment applications, recreation registrations, an events calendar and tax forms.

Township officials said the aim is to make the site easy to use for all residents.

## Discount Amusement Park Tickets

The Recreation Department sells discount amusement park tickets to the following parks. Please call the Recreation Office or check pricing at [www.eastpennsboro.net](http://www.eastpennsboro.net).

Check, cash or credit card payment accepted. All sales are final.

## West Nile Virus Mosquito Control

Beginning this spring, Cumberland County Vector Control inspectors will map stormwater inlets and facilities to look for areas with pooling and stagnant water in an effort to minimize the threat of the West Nile Virus.

Once "hot spots" are found, a second team will place a charcoal-like substance at each location to disrupt the mosquito growth cycle. The prevention program is the result of a grant received by the State Department of Environmental Control to find and eliminate mosquito populations throughout the state.

More information is available at [www.ccpa.net/westnile](http://www.ccpa.net/westnile) or by calling Vector Control at 240-6539.

## House Numbers Must Be Visible

East Pennsboro's police, fire and ambulance services say they are concerned that house address numbers are not readily visible on a large number of the more than 8,000 homes in the Township.

The lack of visible numbers, officials said, can cause delays during an emergency response.

They ask that residents attach large numbers to the house. Numbers painted on curbs can be obscured.

# SCHANER ADULT CENTER

Located in East Pennsboro  
Municipal Building • Ground Floor

Hours of Operation: 8 – 3 p.m. Monday – Friday

Nutritious, Hot Meal served daily at 11:30 a.m.

Phone Number: 732-3915

***Residents 60 years old and over are invited to visit the center and see what we have to offer***

The Schaner Adult Center is pleased to announce that it is participating in the “Adopt a Park Flower Garden” program, in conjunction with the Township’s Parks and Recreation Department. The Center participants are enthusiastic about volunteering, maintaining and beautifying two areas at Adams Ricci Park.

Center volunteers have planned the plantings, shopped for the particular plants and spent a sunny breezy afternoon planting and mulching. As a Center, we are quite pleased with the results of our efforts.

We are excited to continue caring for these areas throughout the next year and look forward to enhancing the beauty of our community park. The Center’s walking group especially enjoys its walks at the park, and we feel it is an honor to help maintain this great facility.

Once again, the State Department of Agriculture is conducting the Senior Farmers Market Nutrition program. Seniors have until Nov. 30 to redeem FMNP vouchers. The last day vouchers will be issued will be Sept. 30.

Seniors who are 60 years old and over and meet the income requirements are eligible for the program. Income includes interest, Social Security, wages, etc. The program does not include seniors who are in nursing homes or residential facilities where meals are provided.

The 2015 household income eligibility is one person, \$21,775; two people, \$29,471; three people, \$37,167; and four people, \$44,863. Each senior may receive four \$5 vouchers for a total benefit of \$20 one time during the program year.

The Schaner Center will distribute vouchers from 9 to 11:30 a.m. on Fridays. Please bring a photo ID/proof of residence and Social Security card.

## Recycling...Calling All Cartons!

Penn Waste, the Township’s waste and recycling carrier, is now collecting food cartons as part of its recycling program. Milk, orange juice, soup and broth and egg substitute cartons and juice boxes are now recyclable.

Please remove caps and straws and rinse out the containers, if possible, before placing in the recycling bin. For more information on recycling go to pennwaste.com or call 767-4456.

## Keep Ground Water From Entering Sewer Lines

Township officials are reminding residents that Township regulations prohibit the discharge of any roof, ground or surface water into any sanitary sewer, directly or indirectly. The regulations also prohibit the connection of a pipe into a sewer line carrying excessively hot water, which may be detrimental to a sewer or to operation of the sewer system.

When a basement floor drain is connected to the sanitary sewer system, there is a potential for a backup of raw sewage into the home if sewer lines become clogged. Any such connection of a drain to the sewer system violates regulations and must be disconnected.

Water from sump pumps or rain gutters that goes into the sewer system causes increased flows to the wastewater treatment plant, especially during heavy storms. The water must be chemically treated, the same as raw sewage, resulting in an increase in the amount of chemicals used and ultimately an increase in cost.

If you have questions, please call the Township engineer or the staff at the wastewater treatment plant, 732-3621

## WHAT NOT TO FLUSH!

Township officials are reminding residents that many materials flushed or poured down a drain can harm the pipes that connect to the sewer system and cause sewer backups in your home and sewer releases to the environment.

Basically, the only thing you should ever flush down a toilet is human waste and toilet paper. Keep the following out of the toilet: disposable diapers, tampons and tampon applicators, sanitary napkins, cotton balls and swabs, mini or maxi pads, condoms, cleaning wipes of any kinds, facial tissue, bandages and bandage wrappings, automotive fluids, paint, solvents, sealants and thinners and poisons and hazardous waste.

Do not flush medications down the toilet. Take the medications to an approved prescription drug take-back site or event.

Never pour grease in your sink drain and try to reduce the use of your garbage disposal. Grease in sewer pipes causes maintenance problems for property owners and the Township.

**ADOPT A GARDEN!** Members of the Schaner Adult Center complete their Adopt a Flower Garden planting at Adams Ricci Park, as part of the Recreation Department’s new program to help beautify the park. The park has about 20 flower gardens, more than half of which have been “adopted” by various groups. Persons or groups interesting in adopting a garden can call the Recreation Department. The Department praised the current participating groups for their dedication to the park project. The groups are, besides the Schaner Adult Center, Girl Scout Troop 10628, Boy Scout Troop 51 and River of God youth group. The gardens are overseen by volunteer Stewards of the Park.

## Tanbark Still Available to Residents

Township residents can still order tanbark, as long as supplies last. The supply of compost has been depleted.

Residents can order the tanbark by completing an order form/release agreement and making a payment of \$60 at the Township Municipal Building before delivery. The order form and release agreement are available online at [www.eastpennsboro.net](http://www.eastpennsboro.net).

Orders will be accepted Monday through Thursday of each week, with a Friday delivery. If the Friday falls on a holiday, delivery will be on Thursday of that week.

Delivery will be scheduled on a first-come, first-served basis, with a total of a 10 orders per week. The tanbark will only be placed on the driveway of the property.

Because of liability concerns, the Township no longer loads tanbark at the yard waste facility for residents. Tanbark is still available free of charge for self loading.
