This hilarious musical parody staged to classic tunes from the '60s, '70s and '80s will have you cheering and danc-ing in the aisles. See what millions of women world-wide have been laughing about for 14 years! Set in a department store, four women with seemingly nothing in common but a black lace bra on sale, come to find they have more to share than ever imagined. The cast makes fun of their woeful hot flashes, forgetfulness, mood swings, wrinkles, night sweats and choco-late binges. A sisterhood is created between these diverse women as they realize that menopause is no longer The Silent Passage, but a stage in every woman's life that is perfectly normal! It's the Hilarious Celebration of Women and The Change!
