2 Police Officers Honored For Top Performances

Two Township police officers - Detective Sgt. Michael J. Cotton and Officer Ryan J. Loper - have been awarded medals for exemplary performance.

Detective Sgt. Cotton was given the Award of Merit for a lengthy and detailed investigation that led to the arrest of two "very dangerous" individuals, the Police Department said. The two robbed Arooga's Restaurant and held nine patron hostages.

Detective Cotton, cooperating with other law enforcement agencies, recovered evidence which linked the two suspects to two other robberies in other counties.

Officer Loper was awarded the Medal of Valor for dealing with a suicidal male, who cut himself with a knife during a fight with his brother. Officer Loper, arriving at the scene, talked with the man, who was holding the knife in an aggressive manner, for 30 minutes before persuading him to go to the hospital.

"Officer Loper's patience and reasoning brought a non-violent conclusion to what could have been a tragedy," a Department spokesperson said.

OFFICERS HONORED - Detective Sergeant Michael J. Cotton, top photo, and Officer Ryan J. Loper, bottom photo, receive special awards from Commissioner Paul Hartman, left, and Police Chief Todd Bashore.

West Nile Virus Mosquito Control

Beginning this spring, Cumberland County Vector Control inspectors will map stormwater inlets and facilities to look for areas with pooling and stagnant water in an effort to minimize the threat of the West Nile Virus.

Once "hot spots" are found, a second team will place a charcoal-like substance at each location to disrupt the mosquito growth cycle. The prevention program is the result of a grant received by the State Department of Environmental Control to find and eliminate mosquito populations throughout the state.

More information is available at www.ccpa.net/westnile or by calling Vector Control at 240-6539.

Township Begins Delivery of Compost and Tanbark

Compost and tanbark are available for delivery to residents as long as supplies last.

Township residents can order either tanbark or lead compost by completing an order form/release agreement and making a payment of \$60 at the Township Municipal Building before delivery.

Orders will be accepted Monday through Thursday of each week, with a Friday delivery. If the Friday falls on a holiday, delivery will be on Thursday of that week. The order form and release agreement are available online at www.eastpennsboro.net.

Delivery will be scheduled on a first-come, first-served basis, with a total of 10 orders per week. The product will only be placed on the driveway of the property.

Because of liability concerns, the Township no longer loads leaf compost or tanbark at the yard waste facility for residents. Both items are still available free of charge for self loading.

The facility is open from 7 am to noon on the third Saturday of each month, through October.

Hours of Operation: 8 – 3 p.m. Monday – Friday

Nutritious, Hot Meal served daily at 11:30 a.m.

Phone Number: 732-3915

Residents 50 years old and over are invited to visit the center and see what we have to offer

The Schaner Center would like to organize a senior group interested in playing bocce ball. Court bocce is a great game of skill and strategy. The object of the game is to get as many of the bocce balls as close to the pallino (the smallest ball) as possible. Adams Ricci Park has two bocce courts available. The center is seeking players who know the game, as well as beginners. The goal is to begin play in May. Interested seniors are encouraged to call the center. A meeting will be organized to discuss playing days and times.

The Senior Farmers Market Nutrition Program (SFMNP) provides income-eligible seniors with fresh, nutritious, locally grown fruits, vegetables and herbs from approved farmers markets in Pennsylvania.

The purpose of SFMNP is to increase consumption of fruits and vegetables by low-income seniors and to increase awareness of farmers markets. Only farmers authorized by the state can accept and redeem SFMNP checks.

Seniors must be 60 years old or older by Dec. 31 of the program year and meet income guidelines. Income eligibility is based on 185 percent of the federal poverty income guideline. Eligible seniors will receive the SFMNP vouchers from a distribution site in their county. The vouchers are redeemable at participating farmers markets throughout the area. The vouchers are available only once a year.

The Schaner Center will be one of the distribution sites in Cumberland County. Vouchers are expected to be available around the second week of June and will be distributed from 9 to 11 a.m. on Fridays. Identification and proof of residency is required.

Comprehensive Plan Update Set to Begin

The Township's 10-year-old comprehensive plan is on track to be updated this year and, when finished, will project a vision for development in the next decade.

Township Commissioners have directed staff to compile a list of engineering firms that can be asked for proposals on updating the plan. They said it could take up to two years to have an updated plan in place.

The state Municipality Planning Code recommends the updating of comprehensive plans every 10 years, Township Manager John Pietropaoli said.

He said Commissioners are also looking at possibly applying for a grant from the Tri-County Planning Commission that, if awarded, could help fund the plan updates. Township staff is expected to prepare the grant application.

The cost of updating the comprehensive plan still has to be finally determined, Pietropaoli said.
