

Online Registration for Summer Camp

1. Sign up for an Account prior to registration day.
<https://apm.activecommunities.com/eastpennsborotwprec/Home>
2. Enter family details and you must use date of birth for children to register for Day Camp. In order to streamline the online process we asked our specific questions only once per receipt. So if you register two or three children before you make a payment then it will not ask the questions for each child. For example, if you need to enter different answer for the allergies question for each child click "My Account" at the top right corner of the screen and select "Change Question Answers" or you may register and pay for each child separately. Do not put them on the same receipt or select "Add another participant to this program." You can "Change Question Answers" after you complete registration and payment. It will transfer to my end of the database to correctly have the info we need. It is always best to email the office to double check your important allergies, emergency contacts and pick times are communicated properly.
3. The day of registration, register one child at a time. The system automatically discounts the \$10.00 per child for registering for more than 3 weeks. This discount is only given online.
4. If you choose to participate in the payment plan, it will reduce your processing fee. The processing fee is only applied to the amount you will charge to your card.

Select Fees

Please review your enrollment fees and, if applicable, apply your coupons.

| Description | Quantity | Unit Fee | Total Price |
|--|----------|----------|-------------|
| Registration Fee (NON RESIDENT) | 1 | \$130.00 | \$130.00 |
| 2015 Registration Fee (Per Individual) | 1 | \$20.00 | \$20.00 |
