

EAST PENNSBORO TOWNSHIP COMMUNITY PLAYGROUND PROJECT

Something exciting is happening in East Pennsboro Township!

Our much-loved Imagination Station has served this community well for 20 years! The time has come for the next generation of children to create memories in an exciting new space of their own. We need your help in raising money for the materials needed to enclose this new playground with a fence. For \$40 apiece, your name or message will appear on a picket made of a wood-like composite, greeting visitors to Adams-Ricci.

If you have donated in the past, you know that these pickets become a lasting part of the park to enjoy for years to come!

PLEASE FILL OUT FORM, MAKE CHECKS PAYABLE AND RETURN TO
