EAST PENNSBORO ELEMENTARY

WEDNESDAYS 3:30 - 5:00pm

February 6 - 27th (4 classes): Coding

March 6 - 27th (4 classes): Robotics

April 2 - 30th (3 classes, no class 4/17): Engineering

May 1 - 22nd (4 classes): Robotics

If you're looking to enrich your child's STEM education, check out our new after-school STEM Clubs!

STEM Club will meet once per week, 3:30-5:00 and the theme of the club will change every month!

Engineering- Students will explore simple physics concepts, like simple machines, using Legos!

Coding- Students will learn foundational concepts in coding through video game play and design!

Robotics- Students will apply their coding and engineering knowledge to design and create various robots!

We are at both West Creek Hills and East Pennsboro Elementary! Check East Pennsboro Rec's website to see what we are running at your school!

To register:

Call East Pennsboro Recreation at 717-732-0711 option 3 or click "programs and registration" under "Parks & Recreation" at www.eastpennsboro.net

Questions can be directed to Niko Mucci at niko@sylvanpa.com
